

## Western Caulfeild Residents Participate in Metro Food Scraps Recycling Demonstration Project

The District of West Vancouver is participating in a 6-month long pilot curbside food waste recycling collection project being coordinated by Metro Vancouver. More information will be available in the coming weeks - in the meantime, you can find out more about the program at [www.metrovancouver.org/foodrecycling](http://www.metrovancouver.org/foodrecycling). The pilot neighbourhoods have already been selected and residents are being notified. If you have not received information from West Vancouver municipality, your area is not participating in the food waste collection program. For more information, contact Metro Vancouver at the contacts listed on the web page noted above.
